WELCOME TO

RASCAL

BURGERS. CHICKEN. ANARCHY

Rascal is what we think fast food should be: delicious food made pretty quickly, with love, fun and energy. We've created our own recipes right down to the sauces, and our own rules on flavour combinations - challenging the norm in the realm of fast food! Our produce is ethically sourced from quality local and Australian producers and served imaginatively with a dash of mischief.

So, whether you're chasing a classic cheeseburger, diner-style fried chicken, an American-style waffle, or one of our more unique creations, **Newcastle, we have what you need!**
