RASCAL

BURGERS.CHICKEN.ANARCHY

RASCAL is proudly Newcastle born and bred and we're all about supporting our local suppliers and producers - using real wagyu beef grown on farms in and around the Hunter. Our burgers are made by passionate burger enthusiasts who will debate the place of a pickle 'til the cows come home. And we make stuff from scratch - right down to the seasoning on our fries - because we're perfectionists that will do anything in pursuit of creating burger excellence... and a little bit of burger related anarchy.
